PERFORM-A-PLAY FOR CLIMATE ACTION PROGRAMME (STAGE SHOW)

A programme that combines participating in a theatre show at a prestigious venue along with an affiliation with a community-driven environmental organisation.

The **'Perform-A-Play for Climate Action' Programme** is a holistic and immersive theatre education programme designed to develop a solid foundation in the fundamentals of stage performance.

Through a progressive curriculum, students will engage in audition/interview techniques, character analysis, subtext interpretation, improvisation, performance techniques and ensemble-based play work. Under the guidance of a theatre educator, participants will apply their skills within a professional auditorium setting.

Each grade brings a script to life- based on the environment aligned with the SDG's. Dual certification from J's Academy and an NGO — can also count toward CAS points for IB students and strengthens university applications and resumes. A platform to raise audience awareness of climate change, and a chance for every student to become a changemaker and a global citizen through the theatre arts.

Limited student intake.

About Us

J's Academy, founded in 2013, is a leading theatre education institute for children and adults in India with physical centres in Mumbai — with offline and online programmes. The Academy provides a safe space for its students to express themselves articulately, to explore their creativity, and develop into confident individuals, through theatre practices. Our courses certify students through our affiliations with Trinity College London, London Academy of Music & Dramatic Art (LAMDA), arthaus.berlin, and Thomas Prattki Centre.

J's Academy has launched ' The Green Theatre Project'— an initiative that uses the Theatre Arts as a medium to foster sustainable climate change and well-being in young people. An educational initiative that brings together Theatre Arts, Environmental Education and the United Nations Sustainable Development Goals (SDG).

J's Academy is founded and led by Jhelum Gosalia — an educationist, a theatre practitioner, an international Trinity examiner, and an alumnus of Royal Academy of Dramatic Art. J's Academy has a team of expert theatre practitioners and educators who lead age-appropriate sessions, following a structured curriculum aligned with international best practices.
